INTRODUCTION

Al Mugeeb Technical Services strive to preserve, maintain and care for your Residential & Commercial Assets using our dedicated, reliable, and efficient team of professional experts. The organization's core values are customer satisfaction, integrity, and commitment in all aspects of the business. Our management team has decades of business experience which forms the inner strength of Al Mugeeb Technical Services. We specialize in residential and commercial maintenance along with fit-out. Our focus is to deliver a 24/7 service for A/C, plumbing, electrical, handyman services, and maintenance. We provide you with the right technician, with the right tools, at the right time. We are quick to respond, reliable, and efficient which will hopefully allow us to be distinct from the market giving you the confidence to choose Al Mugeeb Technical Services for your technical support.

- Flexible Schedule
- Affordable Package
- Highly Skilled

WHAT WE DO

Our maintenance and repair services include air-conditioning and ventilation, plumbing and sanitary ware, tile and masonry work, painting and decorating, carpentry and flooring, plaster and cladding, electrical work, partitions, and false ceilings, external building cleaning services, home improvements, and general handyman. Additional maintenance, repair, and installation services are available upon request.

MISSION

- To keep your assets on top always
- To reduce the service fees
- To improve the living in the buildings
- To provide the best quality of the services
- To Develop a system economically

VISION

- To be a real partner in preserving buildings, the environment, and the world's most successful and important facility management company.
- **Successful** in helping our customers to apply problem-solving.
- **Successful** in introducing the shared cost system for building services charges. **Important** because we will continue to be the basic resource of much of what is invested in this industry.

FUTURE EXPANSION

- Abu Dhabi Branch by 2nd Qtr 2023
